IN RE: Sprint Communications Company -) ORDER APPROVING
Revisions to its SC Tariff No. 3) PORTION OF TARIFF
to Change Maximum Rates for Sprint) AND ESTABLISHING
Sense Subscribers (REF: TN95-112).) PRE-FILING DEADLINES
) FOR OTHER PORTION

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of Sprint Communications Company (Sprint or the Company) for approval of revisions to its South Carolina Tariff No. 3 to change maximum rates for Sprint Sense subscribers. The revision also established a new service called Hospitality Connection Plus.

The Commission's Executive Director, by letter, requested the Company to publish, at its own expense, one time, a Notice of Filing in newspapers of general circulation in the affected areas and to provide the Executive Director with proof of publication. The Company followed the directions of the Executive Director and filed proof of publication. No Petitions to Intervene or Protests were filed.

At its regular meeting on April 25, 1995, the Commission noted that a portion of the Tariff would change the maximum rates for Sprint Sense subscribers. The Commission, therefore, held that Staff should set the matter for hearing. The Commission has re-examined this matter and believes that the Hospitality

Connection Plus portion of the revision should be approved as filed, since it has no relation to the change in maximum rates. The matter of the change in maximum rates for Sprint Sense subscribers should be set for hearing at such time as the Staff shall deem appropriate.

Further, pursuant to 26 S.C. Regs. 103-869(C)(Supp. 1993), the Commission hereby orders that twenty five (25) copies of the testimony and exhibits of Sprint shall be pre-filed with the Commission on or before August 3, 1995 and twenty five (25) copies of the testimony and exhibits of the Commission Staff and/or any Intervenor shall be pre-filed with the Commission on or before August 17, 1995. In addition, parties shall serve their pre-filed testimony and exhibits on all other parties of record as required by the Commission's Rules and Regulations. Please take note that any party requesting modification of the schedule must file a request for such modification through the Commission.

IT IS THEREFORE ORDERED THAT:

1. The Hospitality Connection Plus portion of Sprint's revisions to its Tariff No. 3 is hereby approved.
2. The Company and all parties shall pre-file testimony on the remaining portion of the tariff at such time as is stated above.
3. A hearing on the remaining portion of the tariff shall be held at such time as designated by Staff.

4. This Order shall remain in full force and effect until further Order of the Commission.
